

First Name: VANNA
Family Name: CHHORN
Sex: Boy
Age: --/--/ 2006
Where he comes from:
 Sisophon - Beanteay Manchey
 Province - Cambodia

How many siblings does he have? 1
Girls: 0
Boys: 1
Which position does he have?: Junior.
Are they any in COF?: 1

Father's name: PUY
Age: ---
If deceased, when and why?: YES. Year 2007.
 Thailand Border Police shoot him when he was trying under illegal cross the border.

Mother's name: CHANTHORN
Age: 1984
If deceased, when and why?: NO.

Legal tutelage: Grandmother
Name: NEAKTREN
How long time: From 2006 until 2009

If the father and/or the mother did not die, why is he/she living at COF?: Father is dead. When Vanna was born his mother left him and his brother living with their grandmother and disappeared, nobody knows where she is. In the area where Vanna comes from is very common that women go for work to Thailand and they stay

under illegal situation, this is the reason they can not contact their families or maybe she just get a new family.

The grandmother is getting older and can not take care anymore about the grandsons and now she is very happy because they are living with us safety and loved.

Does he have any kind of sick or disability? If yes, which one: NO. But he has a behaviour problem; he eats in rubbish bins, because he done in the time he lived with his grand mother. The staffs taken care about him are teaching him that now he has food enough and don't needs anymore to go to the rubbish bin to eat.
